Stand w/ WOMEN! Stand w/ IMMIGRANTS!
Stand w/ POC! Stand w/ REFUGEES! Stand w/
MUSLIMS! Stand w/ the POOR!

The rhetorical tactic: **USING THEIR OWN WORDS
AGAINST THEM.**

Blow up any attempt at rationalizing bigotry.
Bombard your opponent with the President's
own words.

You have to treat them like **shit**. / I have days where, if I come home—and I **don't** want to sound too much like a **chauvinist**—but when I come home and **dinner's not ready**, I go through the roof. / I think that putting a **wife** to work is a very dangerous thing. / They said, "How are you going to change the pageant?" I said, "I'm going to get the **bathing suits** to be smaller and the heels to be higher." I **bet** you make a **great wife**. // // // // //

The face of a dog! / It must be a **pretty picture**. You **dropping** to your **knees**. / You could see there was **blood** coming out of her eyes—**blood** coming out of her **wherever**. / Look at that face. I mean, *she's a woman*, and I'm not supposed to say bad things, but really, folks, come on. **Are we serious?** / I did try and **fuck her**. **She was married**. / I better use some Tic Tacs *just in case*

ON WOMEN

I start kissing her. You know I'm
automatically attracted to beautiful... I
just start *kissing* them. It's like a

magnet. **Just kiss.** I don't even wait.

And when you're a **star** *they let*
you do it. **You can do anything.**

Grab them by **the**

pussy. You can do anything.

/ Women have one of *the great acts of all-*
time. The smart ones act very **feminine** and

needy, but inside *they are real*

killers. // // // / / / / // // // //

ON WOMEN

The person who came up with the expression
"the weaker sex" was either very *naïve*

or had to be kidding. I have seen **women**
manipulate men with just a twitch of

their eye—**or perhaps another**
body part. / For a man to be successful,

he needs support at home, not someone who

is **always griping and**

bitching. / If you just sort of say,

everyone gets equal pay, you get away from
the whole American dream, you get away

from **capitalism** in a sense. // //

ON MEXICANS

We have some **bad**
hombres here. / They're

going to build a plant and **illegals** are
going to drive those cars right over *the*
border ... And they'll probably end up
stealing the cars. / They're bringing
drugs. They're bringing **crime**.

They're **rapists**. And some, *I assume*, are
good people. / And they're bad. They're
really bad. / They have to go. /
Somebody's doing the raping. Who's doing the
raping? / The *best taco bowls* are made
in Trump Tower Grill. **I love Hispanics!**

ON BLACK FOLK

I have a great relationship with the
blacks. I've always had a great
relationship with **the blacks**. / If I were

starting off today, I would love to be a
well-educated black, because I believe
they do have an actual
advantage. / **Black guys** counting *my*

money! I hate it. / The **thugs**
who are so happily and openly **destroying**
Baltimore. / If you look at black and African
American youth, to a point where **they've**
never done more poorly. There's **NO**
spirit. / Look at my African
American over here! // // // // //

DONALD — J. — TRUMP
STATEMENT ON PREVENTING
MUSLIM IMMIGRATION

(New York, NY) December 7th, 2015, -- Donald J. Trump is calling for a total and complete shutdown of Muslims entering the United States until our country's representatives can figure out what is going on.

The people that like me best are poor people and middle-income people...The rich people don't like me. / My entire life, I've watched politicians bragging about how poor they are, how they came from nothing, how poor their parents and grandparents were. And I said to myself, *if they can stay **so poor** for **so many** generations*, maybe this isn't the kind of person we want to be electing to higher office. How smart can they be? They're **morons.** / I love to work. In fact,

ON POOR FOLK

I like working so much that I seldom take vacations. / **Teenage mothers** shouldn't get public assistance unless they jump through some pretty small hoops. Making them live in group homes makes sense. / They have an incentive not to work. They make more money, by sitting there **doing nothing.** / The problem we have right now, we have a society that sits back and says **we're not going to do anything.** // // // // // //

Casual & conversational bigotry flow too freely amongst our family, friends, & co-workers. Some people like to support bigoted politicians by selectively hearing what they say. They prefer to ignore egregious & offensive statements. They pretend all's well. Normalization. It's about normalizing and trivializing discriminatory and hateful rhetoric. This approach only serves to make the bigoted policies, proclamations, & language more acceptable. It's your responsibility to DISRUPT the established order. Your responsibility to DISRUPT any attempt at legitimizing bigotry. And so this pamphlet proposes you disrupt everyday offenses by using the president's words against his supporters. By doing so, you'll act as a reminder to all reactionaries that the system is itself deeply, foundationally,

and fundamentally flawed. Betray Amerikkka's
calls for decency by proving through words there's
nothing remotely decent about it. The system
isn't virtuous—far from it. The system is racist,
sexist, heteronormative, Islamophobic, & classist.
So, in short, at the next family gathering you
attend where Uncle Bill is boasting about tax
cuts, shout for all your relatives to hear:
"GRAB THEM BY THE PUSSY!"

Taking it to the streets—**TRAMPING!**

BE A TRAMP!
